

Prayer to the Blessed Mother

*For The Conversion of Sinners
and the Enemies of Christ's Church*

We fly to your patronage, O holy Mother of God. Do you receive us, O our Mother and our Queen. Beg of your Son, the Lover and Redeemer of souls, through the merits of the sufferings He endured on His adorable Face, to accomplish His designs of mercy for all poor sinners, and in particular for the enemies of His Church; that all peoples may praise Him and all generations call you blessed. You are the channel of pardon, You are the Mother of Grace, You are the hope of the world; hear us who cry to thee.

Eternal Father, we offer You the Holy Face of Jesus
for the intentions of Mary Immaculate!
